Superstar Juanes is coming to Mallorca! July 7th, Plaza de Toros, Palma de Mallorca

For the first time in his career Juanes has chosen Mallorca as location for one of his spectacular live acts. In the evening of July 7th 2008 he will perform in Palma's bullring, the "Plaza de Toros".

Event Consulting International is delighted to promote this exceptional and powerful artist in the magic atmosphere of Palma's bullring.

Over ten Million sold albums as well as 12 Latin Grammy Awards are more than proof that Juan Esteban Aristizábal Vásquez alias "Juanes" belongs among the Worlds Top artists.

The Plaza de Toros is an extraordinary location which will be the perfect stage for an event of such magnitude. Let alone the spectacular ambiance and unique atmosphere of the time honoured bullring which will grant the audience an excellent view over the performance. Songs like "La Camisa Negra" and "A Dios Le Pido" as well as performances from his latest album "La Vida es un Ratico" will rock the arena.

Juanes says enthusiastically: "I am really excited that my "La Vida" World Tour finally takes me to Palma de Mallorca and I am looking forward to performing in front of a great audience who will definitely have a wonderful evening!"
